Career Profile

Highly motivated third-year Bachelor of Science student majoring in Chemistry, especially interested in analytical chemistry, keen to use practical laboratory skills and academic information to continue professional growth and contribute efficiently in a dynamic work environment through effective communication and critical thinking skills developed through academic and extracurricular activities. Proven dedication to serving the community through fundraising experience. I am currently seeking a position as a laboratory assistant/ technician in a research laboratory.

Education

September/2023 – Current

Bachelor of Science

Deakin University, Melbourne Burwood Campus

- Expected completion date: October 2026
- Major: Chemistry

March/2023 – June/2023

Foundation Program in Bio-science

Royal Institute of Colombo, Pepiliyana, Sri Lanka.

January/2009 – December/2022

Primary and Secondary Education

Musaeus College, Colombo 7, Sri Lanka.

Volunteering

July/2025 – April/2026

Volunteer Ward Ambassador

Monash Health – Dandenong Hospital

- Welcomed and assisted patients and visitors on hospital wards, providing clear directions, emotional support, and reassurance.
- Supported nursing and medical staff with non-clinical tasks such as distributing meals, assisting with patient comfort, and preparing ward areas.
- Facilitated patient engagement by conversing with patients, reducing loneliness, and promoting wellbeing through companionship.

October/2024 – February/2025

Volunteer Retail Assistant

Sacred Heart Mission Op Shops - 261 Charman Rd, Cheltenham VIC 3192

- Handled point-of-sale (POS) transactions, including operating the till and EFTPOS machine
- Helped sort, price, and display donated items including clothing, books, and homewares
- Maintained store cleanliness and organised merchandise to ensure a pleasant shopping environment
- Supported stock rotation and visual merchandising to keep displays fresh and appealing
- Worked as part of a friendly team to meet daily store goals and contribute to the mission's fundraising efforts
- Applied customer service skills to create a welcoming and inclusive space for all visitors
- Gained insight into the operations of a not-for-profit retail business supporting community services
- Greeted customers warmly and assisted them with product enquiries and purchases

Professional Experience

May/2024 – June/2024

Laboratory Trainee

Industrial Technology Institute, No. 363, Bauddhaloka Mawatha, Colombo 7, Sri Lanka

- Labelled and stored samples and prepared them for cosmetic product analysis.
- Set up experiments under supervision and operated standard laboratory equipment including pipettes, burettes, pH meters, hot plates, analytical balances, and shakers.
- Recorded experimental results and maintained accurate lab documentation.
- Performed routine calibration of pH meters using standard buffers and verified analytical balances with check weights.
- Cleaned and maintained laboratory equipment.
- Followed all laboratory safety protocols and standard operating procedures (SOPs).

Additional Training

June/2024

Instrument Training Program

Industrial Technology Institute, No. 363, Bauddhaloka Mawatha, Colombo 7, Sri Lanka

- HPLC, UPLC, LC-MS, FTIR, Raman Spectroscopy, GC.

Skills and Expertise

- MS word
- MS PowerPoint
- MS Excel
- Canva
- SPSS
- C++

IELTS overall score – 7

Individual band scores: Listening – 8.0, Reading – 6.5, Writing – 6.5, Speaking – 6.5

Extra-curricular Activities

July/2024 – Current

General Committee Member

- DUSLA – Deakin University Sri Lankan Association

July/2024 – July/2025

General Committee Member

- DUBS – Deakin University Biomedical Society

February/2024 – November/2024

Assistant Secretary

Engineering and Science Society of Royal Institute of Colombo

- Filed and stored all society documents and records, ensuring easy accessibility.
- Drafted and sent official letters, emails, and other communications on behalf of the society.
- Organized and led social events to build good fellowship among members.

September/2023 – June/2024
